(d) No such instance has come to the notice of Government.

SRI B. B. SAYANAK.—May I know from the Hon. Minister for Law what is the procedure being followed for appointing Notary Public and what is the period fixed ?

† SRI H. SIDDAVEERAPPA—The period has not yet been fixed in this statement, there is some small mistake. It is not from 1963 but from 1960. The hon'ble Member may please correct it. It is done on the recommendations of the District Judge

SRI B. B. SAYANAK.—Has it come to the notice of the Government that the Notary Public is taking Rs. 10 for every affidavit he has signed ? He had taken even from an M.L.A. If this is proved, what action the Hon. Minister is going to take against him ?

SRI H. SIDDAVEERAPPA —That can be enquired into and if it is proved he has taken anything illegally, he will be removed from that place.

SRI B. B. SAYANAK.—When a person is appointed to this post for more than 10 or 14 years, is it not a fact that he will be anxious to mint money ?

SRI H. SIDDAVEERAPPA.—The hon'ble Member must know that he is appointed under the Central Act It is not our State Act Therefore, we may have no power to say for what period he should be there.

SRI M. S. KRISHNAN.—The Hon'ble Minister was pleased to say that he is appointed under the Central Act. That is true but is it not within your realm to say that proper norms are fixed and have you suggested any norms in regard to these Notaries Public being there for any length of time ?

SRI H. SIDDAVEERAPPA.—We have not made any such enquiry so far. You have now said that the period should be fixed, we will write to the Central Government and find out what their views are

SRI B. B. SAYANAK.—May I know whether the Hon'ble Minister is going to appoint any person investigation of this matter ?

SRI H. SIDDAVEERAPPA,—I connot answer that because it is not an Act of the State Government under which he is working.
